

Prostart Training – Apprenticeship in Business Admin

Amy – NHS Nottinghamshire County, Oates Hill

Amy was recruited in March 2008 as one of the first Business Administration Apprentices within NHS Nottinghamshire County. She excelled in her position and was the first Apprentice within the NHS to secure a substantive post.

Amy commented ‘I decided to do an Apprenticeship as I was inexperienced and unsure of what I wanted to do and where I wanted to go with my career. I decided an Apprenticeship would enable me to learn at my own pace with the guidance I needed. The benefit to me of being on an Apprenticeship has been the one to one support from my Assessor. Both my Assessor and Employer have given me invaluable support and advice and this has helped me to gain a permanent position. The NHS have also created the Nottinghamshire Apprenticeship Forum which has made me feel valued a part of a pioneering team. I attended NAF days quarterly on which I learnt many useful and transferrable skills that I now use in my every day work environment’.

Amy was a Winner at the Prostart Annual Awards Ceremony in 2010 and was presented with an Apprentice of the Year Award.
