## Special Edition to mark Apprenticeship Week 2011

Prostart has been supporting the National Apprenticeship Service to celebrate National Apprenticeship Week 2011. We have taken part in and run various events to promote Apprenticeships, raise awareness and to celebrate the achievements of both our Employers and Apprentices.

Each day our events and news items have been promoted on our Facebook page to allow people to see what we have been up to.

See over the page to see what Prostart did during Apprenticeship week.

## Monday

Claire from our Recruitment Team attended an awareness event for Managers working across NHS Nottinghamshire County, NHS Nottingham City, Citi-Health and the wider health and social care community across Nottinghamshire held at Clifton Cornerstone Health Centre in Clifton.

NHS Nottinghamshire County and the Health Care Community already have a successful Apprenticeship scheme running in partnership with Prostart to recruit and train all Business Administration Apprentices. They are keen to continue growing their Apprenticeship program so held this event during Apprenticeship Week to allow new Managers to find out about Apprenticeships and the benefits of employing an Apprentice within their departments.

## Tuesday

The Recruitment & Training Team at Prostart hosted an Open Day to raise awareness of the different courses that Prostart can offer including Apprenticeships and our Foundation Learning Programme.

The event was a huge success and we had a large amount of people attending just to find out who we are and to get more information for their children, partners and themselves.

The event was so much of a success we already have two people starting on our Foundation Learning program in March!

## Wednesday

Wednesday was an exciting day for some of the staff at Prostart, as they were invited to take a special tour around Nottingham Castle & the Caves of Nottingham. The tours were given by our Customer Service Apprentices based at the Castle.

Both tours were a great success and despite only working at the Castle since November both Apprentices have learnt so much regarding the history of the Castle and the Caves, all the staff at Prostart were extremely impressed!!!

See February's edition of Natter to find out more about the Castle and the work the Apprentices carry out.

## Thursday

Thursday was to celebrate the fantastic support our Employers give us and the Apprentices on the Apprenticeship program. Prostart Cakes were delivered to some of our companies in the local area as a little thank you and to celebrate Apprenticeship week 2011.

## Thanks for reading!
